Card Company

**Personalised Christmas Cards
The 2026 Christmas Collection**

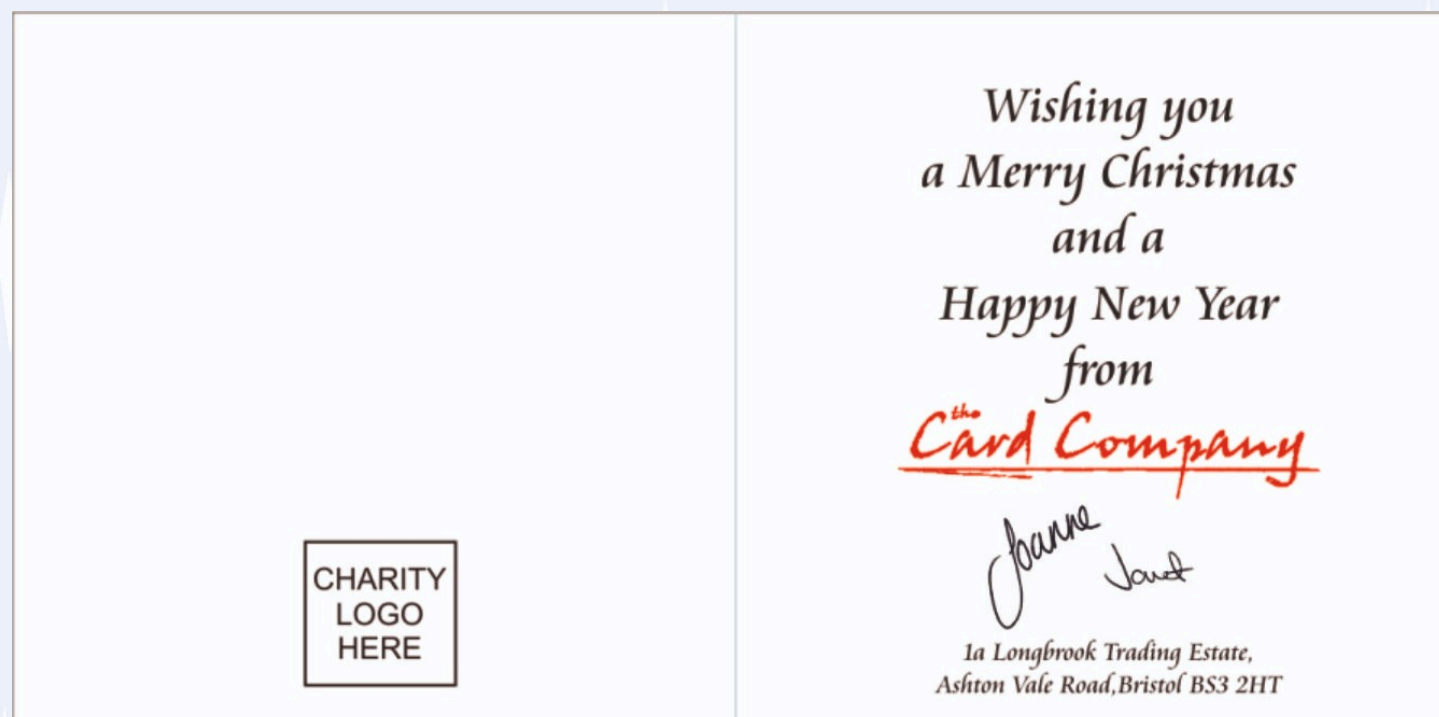

Welcome to our 2026 Christmas Collection

This year we are celebrating 27 years in business and we're thrilled to bring you our new contemporary Christmas card collection, which we're sure you'll love. This brochure contains a selection of our cards, with even more designs available online.

We pride ourselves on excellent customer service, uncompromising quality and excellent value for money. If you need any advice, please contact us and we will be happy to help.

All of us at The Card Company wish you a very Merry Christmas and a Happy New Year.

Personalisation

The example above shows how your chosen greeting, company details, signatures and charity logo can appear inside your cards. You can choose from the greetings and typefaces shown on page 27, or supply your own wording.

Supporting Charities

For every card ordered with a selected charity, we contribute 10p to your chosen charity. Your charity logo is then printed inside your cards. See page 28 for the full list of supported charities.

Standard UK letter postage

A Greener Christmas

Greener Christmas Cards

All of our Christmas cards and calendars are produced on board ethically sourced from sustainable forestry within Europe. They are designed, printed, finished and dispatched in the UK. Not only does this give us total control over your order it also significantly reduces the carbon footprint of our production - especially compared to other cards that are made overseas.
